

Okazaki Flea Market

With the theme of “Pass on your unwanted items to people who need them”, there are many flea markets held in Kyōto. Reusing things is always environmentally friendly, especially selling unneeded things, and as a buyer, you may find something you have always wanted. Feel free to go and take a look, or register* to sell your stuff!

Where: Okazaki Kōen Park
(south of Heian Jingū Shrine)
